one iPad at a time'*

Parent Education Night – 'iPad Technology'

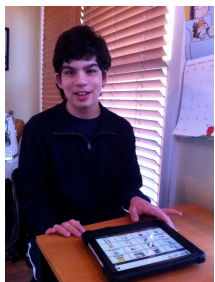

Please join us:

Date: Wednesday, October 5th, 2011

**Location: Northampton Library
25 Upper Holland Road, Richboro, PA**

Time: 7:00–8:30pm

If you are interested in using the Apple iPad to enhance learning, please join us for a discussion of the device and how we have developed courses for parents and children to work together using the amazing iPad. Technology truly supports a creative learning environment for visual learners and children with autism.

**You MUST RSVP for attendance to:
